Dear Sir / Madam,

The Australian Institute of Building Surveyors (AIBS) – Victorian Chapter has commenced a campaign for the implementation of legislated mandatory CPD for Building Surveyors and Inspectors in the State of Victoria. This is consistent with our wider campaign across Australia. A submission has been prepared and forwarded to the Minister for Planning, Justin Madden. A copy of the submission is enclosed for your information.

We are aware that in addressing the issue of mandatory CPD implementation the Government will be interested in the views of other building professions and vocations in respect of their professional needs. It is the view of AIBS that whilst it may not be deemed necessary for some building practitioner groups, it is imperative for Building Surveyors and Inspectors maintaining high standards of professionalism and competency. In view of this we are very interested to hear the views of your organization on this issue and whether you are considering similar proposals.

We are available to meet in the near future for discussions if necessary, otherwise written advice from you will be appreciated. Should you wish to discuss this matter further please do not hesitate to contact Steve Young our Executive Officer on (03) 9415-7600 or myself Peter Jolly, President Victorian Chapter of AIBS on (03) 9205-2345.

Yours sincerely

Peter Jolly
President
